

## The field of radiology is making everything about medicine more precise. **Including our name.**

**MedXray. Knowledge from the inside out.** After nearly fifty years of service to the region, Medical X-Ray Center of Sioux Falls is becoming MedXray. This new, streamlined name embodies the progressive nature of radiology as the field advances toward an exciting future. With all of the enhanced technology, diagnostic capabilities and treatment options available within radiology, we're more excited than ever about the progressive partnerships between our specialists and medical professionals from all areas of medicine.

If you need a consulting physician or patient referral in the areas of neuroradiology, pediatric radiology, diagnostic radiology, radiation oncology and interventional radiology, MedXray has the post-medical training and advanced expertise you can trust. It's always been our job to know radiology from the inside out. *And it always will be.*
